Year 6 Spring Holiday Course (2 ~ 12 Oct 2018)

Year 6 spring holiday courses are designed to give Year 6 students a solid foundation for next year's high school studies. These courses will help students make a successful transition to Year 7 by developing essential skills such as independent research and analysis in reading, writing, speaking as well as consolidating crucial mathematics and science topics.

Our school holiday program will assist students to build strong foundation skills and settle into their new academic environment as quickly as possible. Upon completion of these courses, students will feel more confident and enjoy their time in high school from the very start with academic advantages.
